FOR IMMEDIATE RELEASE

Sarnia Road Bridge closed

The Sarnia Road Bridge will remain closed at least six weeks for repairs following a truck collision last night. CP Rail, owner of the bridge, advises that it must remain closed while repairs are underway. The exact length of the closure will be determined once repair details are finalized.

The City of London recommends drivers use Gainsborough Road or Oxford Street West as alternate routes until the bridge re-opens. Emergency signage on Wonderland and Hyde Park Roads has been put up to alert motorists before they reach the bridge.
